

HEADQUARTERS  
UNITED STATES EUROPEAN COMMAND

ECJ2-P  
ED 40-7

DIRECTIVE  
NUMBER 40-7

APD 09128  
29 December 1978

INTELLIGENCE

Exploitation of Imagery (U)

1. (U) Purpose. To establish the European Special Activities Facility (ESAF) for joint component command exploitation of specified imagery and to establish policy for the exploitation of imagery within the US European Command (USEUCOM). This directive is applicable to directors/office chiefs of HQ USEUCOM and to commanders of component and separate commands/agencies of USEUCOM.

a. (U) JCS Pub 1, subject: Dictionary of Military and Associated Terms.

b. (U) DIA Manual 57-5 (S), subject: DoD Exploitation of Multi-Sensor Imagery (U).

c. (U) DIA Manual 57-5-1 (TS), subject: DoD Exploitation of Multi-Sensor Imagery, Specific Responsibilities (First and Second Phase Reporting) (U).

d. (U) DIA Manual 58-2 (S), as supplemented (TS/HVTCS), subject: Defense Intelligence Collection Requirement Manual, Imagery Reconnaissance Objective Program (IROP), Intelligence Objectives/Requirements (U).

e. (U) DIA Manual 64-3-1 (C), subject: Standard Coding System, Functional Classification Handbook (U).

f. (U) DIA Handbook (S), subject: DIA Target Data Inventory Handbook, AP 540-2-1-INT (U).

29 December 1978

g. (U) HQ USEUCOM Directive 40-1 (S), subject: INTELLIGENCE - Missions and Responsibilities (U).

i. (U) United States European Command/Tactical Air Command Memorandum of Understanding (MOU) (S), 28 June 1976.

j. (U) Deputy Chief of Staff for Intelligence (DCSI), HQ USAREUR, and DCSI, HQ USAFE, MOU (U), 17 Oct 1972, regarding Imagery Interpretation and related functions at the European Special Activities Facility (under revision).

a. (U) USEUCOM requires direct support exploitation of multi-sensor imagery to provide complete all-source intelligence to USCINCEUR and component commanders.

(2) (U) CINCUSAFE is the USCINCEUR Executive Agent for operation of the ESAF.

c. (U) As deemed necessary to satisfy USCINCEUR requirements, USCINCEUR will negotiate additional required support with the appropriate CONUS command/agency.

(3) (U) Coordinate required exploitation support with CONUS commands/agencies and negotiate necessary MOUs/MOAs for the theater.

(1) (U) Operate the ESAF as Executive Agent for USCINCEUR.

(a) (U) Be primarily responsible, in coordination with USEUCOM J2 and component commanders, for negotiating MOU/MOA's on the manning of ESAF as specified in paragraph 3b(3) above.

(b) (U) Provide the ESAF administrative and funding support to include facilities, equipment, expendable supplies, automated data processing, and photo processing services.

(c) (U) Distribute ESAF imagery exploitation products.

(2) (U) Conduct direct support imagery exploitation as may be required to support the command mission.

(4) (U) Maintain appropriate production/manhour records so that adequate ESAF manning can be determined.

(2) (U) Coordinate with CINCUSAFE their participation in the ESAF and negotiate the appropriate MOU/MOA.

(4) (U) Conduct administrative and military training functions for their own personnel.

(5) (U) Provide all funding that may be required to fulfill the CINCUSAREUR imagery exploitation responsibilities.

(4) (U) Accomplish imagery exploitation in support of field training exercises and current operations plans.

FOR THE COMMANDER IN CHIEF:

OFFICIAL:

ELEANOR L. SKINNER  
Colonel, USAF  
Adjutant General

ROBERT C. McALISTER  
Lieutenant General, USA  
Chief of Staff
